CAT ADOPTION INQUIRY

If you would like SCP to assist you in finding a cat(s) that will be a good match for your family, please complete this form and give it to an SCP Adoption Counselor or send it to SCP (addresses shown above).

SCP strives to place pets in compatible homes by matching traits exhibited by the pet with the adopting person(s) home environment and desired pet characteristics. SCP may conduct a home visit at its discretion. **So that the best interests of the pet are served, SCP reserves the right to refuse an adoption to anyone.**

To be considered for adopting a cat, you must:

- Provide identification showing present address. Renters must also provide proof that their pet deposit has been paid.
- Be willing and able to invest the time and money required to provide proper care for the pet.
- Be prepared to pay an adoption fee of \$100.00 (cash or check payable to **SCP**)
